

W6: Exploring Presentation - Extracting Engagement

Coordinator(s)	Doug Knight
Date(s)	Sun, Sep 01
Time	08:30 - 17:00
Location	Mantra on Hay
Summary	Do scientific presentations deserve a breakthrough? Unlike your findings; presentation doesn't always have a definitive answer. Nothing is more important in a presentation than what YOU have to say but are presentation expectations preventing you from reaching your audience?
Schedule*	Doug Knight is an energetic and experienced Presentation and Public Speaking Consultant with the distinct advantage of not having a scientific background. With the impartiality and perspective of an outsider, Doug's workshop at AEGC 2018 ended with a delegate consensus that a view beyond conventional was needed when delivering scientific content.

Terms and conditions

* Schedule subject to change

Workshops will proceed only if minimum numbers are reached, should a workshop be cancelled that you have paid and registered for, you will be notified and refunded the full amount. Should you wish to cancel a workshop, standard registration cancellation policy applies. Please refer to the AEGC conference website for registration cancellation policy and for further details on registration information <https://2019.aegc.com.au/>
