

W13: Digital Disruption in Exploration

Coordinators	Jens Klump Jelena Markov
Date	Mon, Sep 02
Time	08:45 – 16:45
Location	Crown Perth

Summary	Digital Disruption in Exploration Workshop will focus on the implications of digital disruption in the resources exploration sector. In particular, the growing volume of high quality data (big data) from disparate sources which present an enormous opportunity to develop new ways of collecting, interpreting and understanding geoscientific data.
